Mr. Ginn-

The U.S. Environmental Protection Agency has received a request under the Freedom of Information Act for records containing information related to certain compliance records submitted to the EPA under the New Source Performance Standard (NSPS) for Oil and Gas (NSPS OOOOa). This FOIA request (EPA-HQ-2018-001886) can be viewed at the following link:

<https://foiaonline.regulations.gov/foia/action/public/view/request?objectId=090004d28171d08c>. If you have difficulty pulling up the web page, you can try going to <https://foiaonline.regulations.gov/>. Click on Search FOIA Requests, then enter EPA-HQ-2018-001886 in the Search Criteria/Search For Field, and click Search.

The records requested include results of performance tests, initial semiannual reports for gas plants, semiannual reports for gas plants, annual reports and annual reports of excess emissions for sweetening units. We believe you may have made a submittal (attached) under one or more of the provisions §§60.5422a(b), 60.5422a(a), 60.5420a(b), or 60.5423a(b). I have attached your latest report to this email for your perusal.

By your response to this email, please indicate whether you wish to assert a confidential business information claim with respect to any portion of the report submitted under §§60.5422a(b), 60.5422a(a), 60.5420a(b), or 60.5423a(b) or any addendum, update or attachment to the report, that your company has submitted to EPA.

If you decide to assert such a claim, the EPA will temporarily treat the reports that you identify, and its updates, attachments and addenda, as confidential pending further investigation by the EPA. Please be advised that as part of such further investigation the EPA is likely to request (in a subsequent communication) that you substantiate any CBI claim. If you do not assert a timely CBI claim with respect to any portion of a report or its addenda, updates or attachments, as described above, those records may be released to the requestor without further notice if EPA determines that the records are responsive to the FOIA request.

You have been identified by EPA as the responsible corporate official, under the FOIA regulations in 5 U.S.C. 552. Any CBI claim your company wishes to assert must be brought to the EPA's attention (by response to this email) no later than the close of business on the third working day (not including weekends) from the date of receipt of this email by the responsible official. If you have any questions regarding this matter, please contact me. My contact information is below.

Thank-

Edie
